

Cyclone

Ride-On Floor Scraper

The SASE Cyclone will remove virtually all floor covering materials in a single pass

- Most efficient battery powered floor scraper
- Triple blade action to maneuver, angle and pivot the scraper blade
- Fits through standard doorways and on elevators
- Removes all types of floor coverings, VCT, laminates, hardwoods and rubberized coatings, carpet and more
- Single joystick control for speed, steering and direction
- Zero emissions floor scraper
- On board single phase 110 V charger
- QUICK CHARGE OB 100 AMP single phase 220 V charger

Includes TWO battery chargers

Triple Blade Action

Action One:
Lowers and raises the blade to the floor

Action Two:
Positions the angle of the blade for optimal removal of a variety of floor coverings

Action Three:
The integral pivoting blade action keeps the full length of the blade in constant contact with the floor
