

# PDG 9500 Plus

## 36" Planetary Diamond Grinder

**NEW!**

- 36" grinding width
- Low profile expanded grinding head allows you to grind under toe kicks & retail store shelving
- Powerful 20 HP motor
- Removable shroud allowing it to be converted back to standard 32" grinder
- Unit ships with interchangeable (3) standard 11" QCS plates & (3) 17" QCS plates
- 36" width cut is for light grinding & polishing only & not for heavy stock removal. For heavy stock removal convert to a 32" grinding width
- Perfectly balanced
- Built for low maintenance
- Connects to SASE BULL 1250 dust extractor for dust-free operation

**Item Number:** PDG.80286.00 **Description:** Rubber dust skirt for PDG 9500 Plus
