SASE University Agreement

Whereas, SASE Company, LLC periodically holds training courses on the machines and products currently available in the industry, the use of such products or machines, potential problems which may be encountered and possible solutions.

Whereas, SASE Company, LLC wishes to protect itself, its employees, agents, principals, officers, directors, and subcontractors from any claims, damages, or expenses, which may arise from such a training course.

Now, therefore, the parties agree as follows:

- 1) Participant, its employees or associates hereby waive any claim or right against SASE Company, LLC its employees, agents, principals, officers, for any injury, damage, expense, or loss, etc. arising out of or in any way involving the training course, including the operation of machinery by anyone, and agree to hold harmless SASE Company, LLC and its employees, agents, principals, officers, directors, and subcontractors from any such liability. THIS WAIVER INCLUDES THE CONSUMPTION OF ALCOHOLIC BEVERAGES AT DINNERS SUPPLIED BY SASE COMPANY, LLC AND ANY SITUATIONS THAT MAY ARISE THERE FROM.
- 2) SASE Company, LLC through its employees, agents, principals, officers, directors, and subcontractors may make statements, suggestions, explanations, etc. on the use of machines, these statements are made in good faith, but SASE Company, LLC is not responsible for any consequences, damages, costs or expenses incurred if these are incorrect, misleading, misunderstood, or incomplete. It is completely up to the participants that use and application is made of these machines, products, suggestions, statements, explanations, and under what circumstances they are utilized.
- 3) Participant, its employees or associates shall be solely responsible for the adequacy of the machine and products and all applications and uses of the machine and products.

I have read and understand the above
