

30" Heavy Duty Foam Rubber Squeegee

- ✿ Effectively moves fine dust on concrete floors without kicking up dust like a push broom
- ✿ Designed for use on troweled ground and smooth floor surfaces
- ✿ A must for all concrete grinding and polishing contractors
- ✿ Move wet slurry for fast pick up and provides quick drying action used for moving large volumes of liquids quickly
- ✿ Great for pushing water off of rain soaked slabs
- ✿ Cleans dust and dirt on finished polished floors
