

MINI POLY PUMP

ITEM NUMBER:

SAS.PMPMINI.001

The SASE® Mini Poly Pump saves time and is ergonomically designed to reduce both labor and material costs. These are custom 3-gallon transparent tanks for easy viewing of the ratios and levels. The SASE® Mini Poly Pump has the lowest-mounted tanks for easy filling, plus it is compact and lightweight at only 76 lbs, for 1 user. This machine features soft dual-wheel swivel casters with brakes, as well as low-cost gear pumps with rebuildable kits.

TOP FEATURES:

The mini has low-cost gear pumps with rebuild kits, low-mounted tanks for easy refill, and is ergonomically designed to reduce labor cost.
