

JOINT & CRACK CHASING SAW

ITEM NUMBER:

SAS.SAW09

The SASE® Joint & Crack Chasing saw is a convertible heavy-duty machine made for both concrete joint clean-out and crack chasing applications. The Joint & Crack Chasing Saw has durable rear caster wheels that can be locked for precise, straight line joint clean-out or unlocked for complete control on winding, crack chasing applications. Both shrouds have integrated 2" dust port that connect to OSHA-approved SASE® dust extractors.

TOP FEATURES:

Use our saw blades from joint clean-out to crack chasing.
