

PDG 9500 PLUS

ITEM NUMBER:

PDG.9000.03

The SASE® PDG 9500 Plus is one of the most efficient and versatile floor grinders in the industry with its convertible shroud changing from a massive 36" grinding path down to the industry standard 32" grinding path if needed. New features include an easy-to-use integrated weight system with four positions for less, more and neutral grinding pressure and front and back LED lighting.

TOP FEATURES:

Low profile expanded grinding head allows you to grind under toe kicks and retail store shelving. It has a 36" width cut for light grinding and polishing only, not for heavy stock removal. For heavy stock removal, convert to a 32" grinding width.

TECHNICAL DATA:

- 3 Phase, 460 Volt, 40 AMP
- Output: 20 HP (15 kW)
- Variable Speed: 600 - 1750 RPM
- Machine Head: (3) 11" Heads / (3) 17" Heads
- Grinding Width: 36" - 30" (914 - 762 mm)
- Grinding Pressure: 660 - 760 lbs (299 - 345 kg)
- Machine Weight: 1,265 lbs (574 kg)
- Dim. (L x H x W): 27" x 47" x 36 - 30" (2184 x 1194 x 914 - 813 mm)
- Unit ships with interchangeable (3) Standard 11" QCS plates & (3) 17" QCS plates
- Perfectly balanced and purpose built for low maintenance
