

TWISTER

ITEM NUMBER:

OEM.TWISTER

The SASE® Twister is the most productive ride-on floor scraper in the industry. When it comes to the toughest removal jobs or the need for speed, there simply is no machine that will compare. It is built with ample horsepower and weighs over 4,200 lbs.

TOP FEATURES:

Ideal for heavy-duty flooring removal, great for the removal of ceramic and quarry tile, and compact to maneuver through hallways with ease. Removes all types of floor coverings, VCT, laminates, hardwoods and rubberized coatings, carpet, ceramic tile and more.
