

# 5KP

## ITEM NUMBER:

PDG.5000.06

The SASE® PDG 5000 Propane floor grinder is great for small to medium range projects. It is small enough to get into those tight spaces but heavy enough to produce a great polish and removal of tough coatings. It comes stock with a 479 cc 16 HP Briggs & Stratton Vanguard engine making it a small machine packing a big punch.

## TOP FEATURES:

This is a compact, perfectly balanced, low maintenance, propane grinder with no cords. It has an operator-friendly control panel and connects to our Bull 300 EBS Dust Extractor for dust-free operation.
