

SC50 5" HAND GRINDER

ITEM NUMBER:

SC51.800104

The SC50 Hand Grinders utilizes a 5" disc size cup wheel. This hand-held dustless grinder is ideal for edge work. The hinged convertible shroud connects to a Bull vacuum to cut down on dust.

TOP FEATURES:

This hand grinder removes mastics and coatings, and prepares concrete surfaces. It has an extremely durable shroud with flip-up hinged section, allowing you to see your work and get next to the wall.
